Attorneys for Defendant, Building, Concrete, Excavating &
Common Laborers Union Local No. 731, of Greater New York

**UNITED STATES DISTRICT COURT
FOR THE SOUTHERN DISTRICT OF NEW YORK**

KIEWIT CONSTRUCTORS, INC.,

Plaintiff,

v.

**BUILDING, CONCRETE,
EXCAVATING & COMMON
LABORERS UNION LOCAL NO. 731,
OF GREATER NEW YORK,**

Defendant.

Case No. 08-CV-3946 (LAP)

**AFFIDAVIT OF
FRANK P. OMBRES**

STATE OF NEW YORK }
 }
COUNTY OF QUEENS } ss:

FRANK P. OMBRES, being duly sworn, deposes and says:

1. I am the Secretary-Treasurer of defendant Building, Concrete, Excavating & Common Laborers Union Local 731 of Greater New York ("Local 731") and I submit this affidavit in opposition to the motion by plaintiff Kiewit Constructors, Inc. ("KCI") to stay an arbitration commenced against it by Local 731, and in support of Local 731's cross-motion to compel such arbitration.

2. I am informed that, although KCI admittedly is a party to a collective bargaining agreement ("CBA") with Local 731 which provides for arbitration, it has opposed arbitration on the ground that it is not required to arbitrate matters relating to another company, Mass Electric Construction Co. ("MEC"). I am further informed that KCI has admitted that both it and MEC are

owned by a third company, Kiewit Construction Company ("KCC"), but that KCI's counsel has represented to the Court that KCC "is not a signatory to the CBA and is not bound by the CBA."

3. Contrary to the above assertion, KCC is bound by the CBA, having duly authorized and appointed the General Contractors Association of New York, Inc. ("GCA"), as its sole and exclusive bargaining agent in the negotiation, execution and administration of the collective bargaining agreement with the Building, Concrete, Excavating and Common Laborers Union Local 731 of Greater New York, Long Island and Vicinity of the Laborers International Union of North America, AFL-CIO.

4. Attached as Exhibit 10 is a copy of a list (prepared by GCA) of the companies (including KCC) which have authorized GCA to negotiate and execute the CBA with Local 731.
